

Come join 2degrees and the UC Centre for Entrepreneurship for a 48-hour innovation challenge exploring what becomes possible when connectivity reaches beyond today's limits. Work in a team to tackle real-world problems and design solutions that could shape the future of how people, communities, and systems connect across Aotearoa.

Beyond Boundaries *Disrupt Challenge*

Saturday 23rd and Sunday 24th May 2026

[Learn more](#) or [Apply Now](#)

Imagine connectivity anywhere in Aotearoa — what could you build, change, or unlock?

Explore solutions to:

- + Widespread Connectivity
- + IoT, Telemetry & Data Science
- + Digital Equity

\$3,000

cash prize pool

+ 2degrees spot prizes*

**Total prize pool - awarded amongst winning teams and subject to terms & conditions*

This Challenge is open to all University of Canterbury, Ara, and Lincoln students, regardless of your discipline — no prior experience required.

We're looking for students from a range of backgrounds, including:

- Engineering, Computer Science, Data Science
- Business, Marketing, Entrepreneurship
- Design, Product, and Creative disciplines
- Environmental, Social Impact, and Health fields

You can apply as an individual or as a team, during the challenge, you'll participate in teams of 4-5 students.

The best teams bring together different perspectives across various disciplines of study.

You are welcome to sign-up with friends or as an individual.
