STUDENTS

You have volunteered as a Class Representative, now what?

- **Register through the UCSA website:** www.ucs.org.nz/support/classrepresentatives/ under the relevant course or year-level code e.g. LAWS101 or ENME400.
- **Introduce yourself to your classmates**, by whatever means will be most effective for you. You could stand up and introduce yourself in-class, make a Facebook group, ask your lecturer to put your details on Learn, or send an introductory email to classreps@ucs.org.nz to be sent to your class,
- **Complete the Class Rep training.** Details of the training are sent out to Class Reps who have signed up through the UCSA website. Let us know if you have done the training previously so we can mark you as completed. You may have to repeat the training if there have been any major changes.
- **Provide feedback to your Department / School**, either by email to your course coordinator or administrator, or by attending Departmental meetings. Your Department may have particular ways it prefers to receive feedback, so check with your course coordinator or administrator.
- **Complete the end of semester online survey**, which will be sent to you by email.

Class Representative Responsibilities:

- Assisting other students in your class with academic issues impacting their studies. - Improve and streamline communication between the students in your class and the UC staff who teach that class.
- Providing feedback on courses to the relevant course coordinators, and Department / School to improve courses for future students.
